GRADE REPORTING

The academic school year consists of two semesters of eighteen weeks each. Each class meets five days a week for fifty-five minutes a day for a total of 175 instructional days. Grade levels included in reported grade point averages are for 10th and 11th grade semesters only.

Explanation of Marking System:

A = Excellent	F = Failing, no credit	CR = Credit
B = Above Average	P = Passing	NC = No credit
C = Satisfactory	WP = Withdraw, pass	NM = No Mark
D = Below Average	WF = Withdraw, fail	I = Incomplete

The value of each grade for computing *unweighted* grade point average is A = 4, B = 3, C = 2, D = 1 and F = 0. Courses marked with a "+" are *weighted* thus: A = 5, B = 4 and C = 3 (only A, B and C grades will receive weighted credit).

Class rank is based on the student's academic weighted GPA grades 10-11 and is reported by deciles. GPA is shown on the transcript as **Acad GPA (10-12)** and **Decile Rank**. The chart above reflects the status of our current seniors at the end of their junior year.

Current Class of 2015 GPA Decile Ranking 10th-11th Grade Semesters (4 semesters weighted)
